Dudley Promise Corps

Education, Restorative Practices, and Special Education Fellowships

DPC members will have the opportunity to participate in one of the following Fellowships*:

1. **Education Fellowship**: You'll provide targeted academic support. You'll be embedded into classrooms to provide small group instruction support, target individual students to provide extra support on a regular basis, and provide push-in support. Together, this work is designed to keep students in classrooms and on track.

2. **Restorative Practices Fellowship**: You'll enhance the school's capacity to implement Restorative Practices and promote a safe and supportive school climate. You'll develop positive and productive relationships with individual students and provide push-in support in classrooms. Since they are embedded in the school, corps members are able to spend non-academic time each day getting to know students in a range of settings and ensuring that each student is known and appreciated.

3. **Special Education Fellowship**: You'll work with the director of Special Education and the Emotional Impairment team to learn the tools to support our students with the highest emotional learning needs. Through this work you'll follow a specific set of students into classrooms to provide them with specialized academic and socio-emotional support and monitor their progress.

*To learn more about the specific roles & responsibilities and training associated with each Fellowship, please email as promisecorps@bpe.org or schedule a time to speak with a member of our team at  https://calendly.com/teambpe/15min

**Other Benefits**

Beyond training, you will also earn the following benefits:

- Education award ($6,095) upon successful completion of service
- Health insurance coverage
- Living allowance ($13,992)
- Access to AmeriCorps service member training through Massachusetts Service Alliance
- Student loan forbearance
- Food Assistance/SNAP benefit eligibility
- Childcare assistance if eligible
- Networking opportunities with community and education leaders

**Teamwork & Collaboration**

Education Fellows are part of Dudley Promise Corps (DPC), a full-time, one-year neighborhood-based AmeriCorps service program serving BPE’s Dearborn STEM Academy. DPC leverages the power of national service to support all students in Dudley to stay on track to attend college and serve as responsible citizens in their community, while simultaneously developing corps members as engaged civic leaders committed to social justice.

As part of the DPC team, you will

- Collaborate with school staff to build whole-school community and a culture that promotes high levels of student engagement and investment
- Support opportunities to expand students' learning and growth by leading, contributing, and/or developing enrichment programs, school-wide initiatives, and clubs
